You Are Welcome Here at Church of the Resurrection!

Thank you for joining us to worship today. You are joining with a community of people from all walks of life and at many places in their understanding of God and spirituality. We believe that we are all made in the image of God and that God's image becomes more clear as we grow in our diversity and love for one another.

We are not an institution, we are not a building, we are people who, with all our gifts and joys, our faults and failings, because of our common faith belong to one another. We hope you will find a spiritual home here, or a refreshing stop on your path through life.

If you would like to know more about our Church community, you can pick up a leaflet from our welcome table, speak to one of our welcomers or clergy or visit us online at:

- Help us at Resurrection to connect our care for creation with our Spirituality.
- Educate our Church Community about environmental issues and action.
- Protect the environment
- Discover and recommend best practices with plans for implementation.
- Enable and empower our church (individuals at home and our communal home) to take action.

Members of the committee at the first meeting are James Steeves, Adam MacNeil, Sheilah Cairns (committee coordinator), Nathaniel Steeves, Simon Steeves, Ben Steeves, Tammy MacNeil and Rev. Mike Deed. We thank them for kick starting this new ministry as part of our work for justice and peace. We're only just beginning, please speak to Sheilah if you would like to get involved. We've got our first list of jobs to do to get this work rolling and more information will be coming out in October. Please remember the group in your prayers .
